= FAN FAVORITES      \* = CONTAINS RAW FISH

Let our team know if you have any allergies. We take allergens very seriously but sometimes cross-contamination may occur. Consuming raw food may increase your risk of food borne illness. Please note that although our fish is meticulously prepared, there might be pieces of shell or bone in our finished food.

Drinking distilled spirits, coolers, beers, wines, and other alcoholic beverages may increase the risk of cancer, and during pregnancy can cause birth defects.
